CANDIDATE RESEARCH / NOVEMBER 2026

Niagara Candidate Payroll Check

Cross-check of the May 27, 2026 Niagara County candidate report against SeeThroughNY payroll for 2025 and 2026.

Measure	Count
Ballot and petition entries	483
Distinct candidates checked	379
2026 non-elected payroll matches	62
2025 payroll with the role corroborated in 2026	4
Total with 2026 evidence	**66**
Additional 2025-only matches	12

Correction to the original workbook. The original count of 65 excluded Richard E. Updegrove because SeeThroughNY used the label “Elected Office.” The county record establishes that county manager was an appointed role. This PDF counts his 2026 payroll record as the 66th person. Appointment record · Payroll record

A payroll year describes the period reported. The same person can have more than one employer. Older, unresolved, and elective-office records are identified separately. Sources: Candidate report · Payroll data notes · Payroll & Elected Officials report
